

HIGHLIGHT CHALLENGE

THIS WEEK WE WILL HIGHLIGHT NATURE

Your challenge is to create a nature journal.

Can you find:

bird feather, pink flower, pine cone, tree bark, round stone,
earthworm, 3 different kinds of leaves...

Write in your journal. Where did you find it?

What does it look like?

Continue to search for other interesting things
in nature and post a picture of what you find!

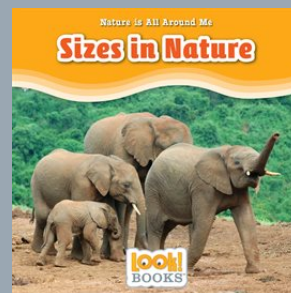

FOR MORE NATURE FUN
TRY VISITING THESE SITES:

[BRIAR BUSH NATURE BREAKS](#)

[RANGER RICK](#)

Extra Credit:
Make a bug jar
and inspect some
creepy crawlies!
