Libby.

Getting Started with Libby

Libby is made possible by Free Library of Northampton Township.

1 Install Libby app for Android, iOS, or Fire tablets from your app store or overdrive.com/apps/libby. Or, visit libbyapp.com from your computer internet browser.

2 In Libby, search for **Community Library e-Cooperative (CLE) of Bucks County,** select **Free Library of Northampton Township** and enter your valid library card and 4-digit PIN.

3 Browse your library's collection and borrow a title.

4 Borrowed titles appear on your **Shelf** (📚) and they download to the app automatically when you're on Wi-Fi so you can read them when you're offline.

On your **Shelf,** tap **loans** at the top of the screen. From there, you can:

- Tap **Read With . . .** to choose whether you'd like to open a book in Kindle or Libby. (Kindle users please see reverse side.)
- Tap **Open In Libby** to start reading in the app.
- Tap **Manage Loan** to see options like **Renew Loan** and **Return Early**.
